

BOS-DRAW 46M

DRAW & STAMP COMPOUND

Description

Bosse Lubricants® Bos-Draw 46M is a smooth, water washable, paste of medium consistency. Compounding includes additives that enhance lubricity and load carrying properties.

Uses

Bosse Lubricants® Bos-Draw 46M has been developed as a ready to use drawing paste for light to medium sever drawing and bending operations. Bos-Draw 46M is versatile and can be used on both ferrous and non-ferrous metals. Bos-Draw 46M should be used as supplied without dilution. For best results apply with a roller applicator or by using swab or brush method. Bos-Draw 46M can be effectively removed with hot water or milk alkaline cleaners. Not recommended for vapor degreasing.
