

# ProDraw 722X

Extreme-Duty Threading & Drawing Compound

## Description

ProDraw 722X is a heavy duty extreme pressure lubricant for drawing and tapping. Relieves intense pressures and temperatures; allowing for greater metal flow with less tool wear. An excellent choice for shops involved in rigorous applications such as cold forging, impact extruding, tapping and tube drawing. (Replaces discontinued Castrol 722x wax oil)

## Applications

Hand Tapping  
External Broaching  
CNC Tapping

Threading  
Gear Cutting  
Cutting/Extruding

Heavy-Duty Forming  
Blind Hole Tapping  
Peck Drilling & Reaming
